

**MEMORIAL DAY ANNUAL CHARITY TENNIS TOURNAMENT
EAST LAKE WOODLANDS COUNTRY CLUB**

1055 East Lake Woodlands Blvd.
Oldsmar, Florida 34677

To Whom It May Concern:

The East Lake Woodlands Country Club is hosting their 22nd Annual Memorial Day Charity Tennis Tournament for the benefit of **The Arthritis Foundation** on May 25-28, 2012. This tournament is open to all players of all skill levels and is doubles only.

The organizing committee is seeking sponsors who can make donations for silent auction, live auction, raffle and door prizes to raise funds for this charity. Sponsors who donate \$250 or more will have their names displayed on the back of our tournament t-shirts, and will be able to display their corporate banner during the tournament, if one is available.

Donations could be in the form of gift certificates, prizes, food or beverages, and of course, money is always welcome at a fundraiser! Monies received from our participants are the primary source of funding for the tournament, but any donation would help cut our operating costs, and allow greater benefit to **The Arthritis Foundation**.

If you choose to support us with a donation, all gifts and donations are fully tax deductible, and our tax exempt number is 59-0816892.

On behalf of East Lake Woodlands Country Club and **The Arthritis Foundation**, we thank you for considering a donation.

Sincerely,

Ruby Johnson
Chairperson, Organizing Committee
